Message from the President

We had a great year. We got to visit a brewery, learn how the beers were crafted, and taste the products. We heard from defense expert Dr. Charles Stevenson '63 who exposed the ways our foreign policy is broken and ineffective, due to the competing agendas between State and Defense Departments, and the inequalities in funding. We also had a great brunch before the Harvard Yale football game in New Haven.

In addition, we ushered through the interview process 41 Fairfield County applicants to Harvard and 22 were accepted Early Action for the class of 2018, which is an amazing percentage.

See below for more exciting activities this Winter and Spring.

Harvard vs Yale hockey at Madison Square Garden

Rivalry on Ice featuring America's most famous college rivals. Yale and Harvard face off at Madison Square Garden on **January 11th!** In addition to the heated nature of the rivalry, both teams have much at stake in the second Rivalry on Ice game. Yale is coming off its first national championship after finishing off the 2013 Frozen Four with a win over the No. 1 ranked team. For Harvard, the coming season marks the 26th anniversary of their historic 1989 NCAA Hockey Championship, in which current head coach Ted Donato was voted "Most Outstanding Player" in the championship game.

Tickets in the Club's Seat Block are \$50. Tickets will be mailed shortly before the game date.

Records in Admissions to the College

A record 22 applicants from a big range of schools were admitted Early Action to Harvard yesterday afternoon. It is a phenomenal group of kids. Only 41 students applied Early, so this is quite an acceptance rate for Fairfield County.

For those of you who interviewed an early action candidate, thanks for your in depth, thorough reports and for getting them done in such a timely manner. If one of the students you interviewed is on the list below, please reach out to them as soon as possible to congratulate them and encourage them to attend Harvard.

We encourage any HCFC members who are interested in joining our enthusiastic team to contact Schools and Scholarships Committee Chair Jennifer Zonis at jenzonis@yahoo.com.

We are especially interested in members who live in the Wilton/Ridgefield/Danbury area where we are short of interviewers.

Please check out our links to Harvard sports, news and program sites. You also may find the Member Directory useful for finding old friends. We would love to hear your ideas on ways to make the site more useful to you and to fellow alumni. Please contact us any time at info@harvardcluboffc.org.
